## Description

Outstanding plot size, stunning garden, two garages and three excellent size bedrooms. Located in a prominent position in Fleetwood and within close proximity of local schools, this could be the perfect family home you have been looking for.

Upon approach, the foliage provides ample cover and privacy, after which there is an abundance of off road parking complete with two drives and access to the garage which features a remotely operated electric sectional steel door. The garage is also fitted with an additional up and over door leading to the garden at the rear of the property.

A walk through the large porch, which is a room in its own right (providing a great space to store coats and shoes), leads to the bright and airy hallway which is the focal point in the property.

Taking the first door on the right leads to the first of the two large reception rooms with a bow window providing views out over the stunning rear garden.

Across the hallway is the second reception room overlooking the front elevation with a feature bow window allowing plenty of natural light to fill and warm the space.

Overlooking the rear garden is the open plan kitchen diner with matching base and wall units housing all modern appliances whilst leaving ample room for dining. A perfect setting for entertaining family and friends.

The first floor of the property houses the three excellent sized bedrooms with the generous master bedroom overlooking the front elevation and the second bedroom coming with fitted wardrobes.

Completing the first floor is the contemporary three-piece family bathroom consisting of toilet, pedestal sink and a large quadrant shower. The bathroom is tiled from floor to ceiling.

Externally to the rear is the superb private garden with an expansive lawn and well stocked borders. Tall hedges and fences provide ample privacy for owners to relax and make the most of the sunshine. A patio area with a stone bench is ready made for entertaining. The second garage is located at the bottom of the garden.
