Description

A rare opportunity to acquire a three-bedroom end of terrace house with huge potential, now requiring comprehensive refurbishment throughout and benefitting from a classic, well-proportioned layout that lends itself perfectly to reimagining and modernisation.

Please note the property has suffered recent fire damage to the first floor, and buyers should expect significant remedial works as part of any renovation programme.

Arranged over two floors and extending to approximately 864 sq ft (80.3 sq m), the ground floor offers two separate reception rooms, including a bay-fronted front room, with a second reception to the rear leading through to the kitchen—creating clear scope to open up and redesign into the kind of connected kitchen/dining/family space so many buyers now look for (subject to the usual consents).

Upstairs, the first floor provides three bedrooms (two of which are double-sized), a bathroom and a separate WC. The rear garden offers further promise for landscaping and outdoor entertaining once restored, while the house overall represents a genuine “blank canvas” project for owner-occupiers and developers alike.

Fernbrook Road is located very close to Manor house gardens with children’s play park, a pond and a farmers market every Saturday. Just 250 metres away is the vibrant centre of Hither Green which includes a Sainsbury’s Local, French Patisserie Cafe (La Delice), an incredible Deli and Bottle Shop (Found Hope Store), cocktail bar (Drink@Bob’s) a florist (Otto’s Greenhouse) and Italian restaurant and pizzeria (Sapore Vero), craft beer and chocolate shop (Park Fever), gastropub The Station Hotel and of course Hither Green Station giving access into Central London and London Bridge only 11 minutes away. There are several popular primary schools close by included the Ofsted “Outstanding” Brindishe Green Primary School. Blackheath Village with its array of boutiques, bars and restaurants is also close by.

This property will be legally prepared enabling any interested buyer to secure the property immediately once their bid/offer has been accepted. Ultimately a transparent process which provides speed, security and certainty for all parties.
