Description

TO BE SOLD VIA ONLINE AUCTION - FEES APPLIED

This two-bedroom terraced home presents an excellent opportunity for buyers seeking a property with scope to modernise and add value. Offering a blend of traditional features and generous living space, the property is ideally suited to investors, developers, or those looking to create a home to their own specification.

The accommodation comprises a welcoming entrance hallway leading to two well-proportioned reception rooms, providing flexible living and dining space. The kitchen is located to the rear and, while functional, would benefit from updating, offering clear potential for improvement.

To the first floor, there are two good-sized bedrooms, both enjoying plenty of natural light, along with a family bathroom fitted with standard fixtures, also requiring modernisation.

Externally, the property benefits from a rear garden along with a substantial additional section of garden beyond, effectively creating a double garden plot. This generous outdoor space offers significant potential for landscaping, extension (subject to relevant permissions), or simply creating a larger private garden area.

Situated in the highly sought-after area of Whitley Bay, the property benefits from close proximity to local amenities, well-regarded schools, and excellent transport links. The coastline, beach, and promenade are also within easy reach, adding to the property's long-term appeal.

Auctioneers Note:

This property is offered for sale via auction and is in need of updating throughout, making it an ideal project with strong resale or rental potential.

Early interest is anticipated – please enquire for further details.
