Description

A rare opportunity to acquire a substantial plot with an existing detached dwelling in one of Newport's most sought-after residential locations on Frambury Lane.

Occupying a generous plot of approximately a quarter of an acre, the property is one of the original homes on the lane and offers exceptional potential for refurbishment, replacement or redevelopment, subject to the necessary planning consents.

The existing timber-framed house is likely to be of particular interest to cash purchasers, developers, self-builders or those seeking to create a bespoke new home in a highly desirable village setting.

The plot offers a unique combination of mature positioning, established residential footprint and excellent accessibility, being within walking distance of Newport mainline station, local amenities and well-regarded schools.

Properties with this scale of plot and redevelopment potential rarely come to market in Newport. Offered with no onward chain.
